

## Common Symptoms of Insecurity

### II. Samuel 12:1-14

- 1) Comparison- we compare ourselves with others and keep score.
- 2) Compensation- we feel like a victim and must compensate for our losses.
- 3) Competition- we become self-consumed and try to outdo others for attention.
- 4) Compulsion- we feel driven to perform in order to gain other's approval.
- 5) Condemnation- we judge others or ourselves, resulting in self-pity or conceit.
- 6) Control- we feel/think we must take charge, protect our interests, and manipulate.
